

- 1) **Attendance** - If you are experiencing any type of sickness, COVID-19 symptoms or otherwise, please do not attend the service in person. Some symptoms of COVID-19 may include cough, shortness of breath, difficulty breathing, fever chills, muscle pain, sore throat, loss of taste or smell. This is not an exhaustive list. Please consult your healthcare professional if you have questions.
- 2) **Masks** - Masks are not mandatory, but we suggest that you wear a mask whenever responsible distancing isn't possible. Young children and those with medical exceptions should not wear masks. Those considered high risk may choose to wear a mask the entire service. We recognize that the question of the efficacy of masks is very controversial and can be polarizing on all sides. This issue must not be one that divides us as the body of Christ.
- 3) **Seating** - Each family should sit together at a reasonable distance from other families. We will keep our chairs set up.
- 4) **Bulletins and Hymnals** - We will not have printed bulletins nor distribute hymnals. The order of worship will be emailed to you as well as projected on the wall during the service.
- 5) **Streaming** - We will continue providing a streaming option through Zoom for those who are not able to meet in person at North Church. Zoom login information will be included in the weekly email. Feel free to share this information.

We look forward to seeing you this Sunday at 11 AM!
